May 1, 2026

Dear Valued Customers,

End-of-Life Notification for MF-5550

We would like to inform you that the High-Speed 5-Dimensional Sensor MF-5550, for which sales were discontinued at the end of February 2021, will reach its End of Life (EOL) on May 31, 2026. Accordingly, maintenance and support services will be discontinued as of this date.

Please note that after the EOL date, we will no longer be able to provide support services, including responding to inquiries. We apologize for any inconvenience this may cause and appreciate your understanding.

- End-of-Life Product: MF-5550
- End-of-Life Date: End of May, 2026

For more information, please contact via sales@katsura-opto.jp

[EOL May 2026]

- Hi-Speed 5-Dimension Sensor

Model	Replacement Model	EOL Date
MF-5550	MF-5570-0002	5/31/2026

* Please contact us for any repair or inspection requests prior to the end of the maintenance service period.
Please note that, depending on parts availability, we may be unable to carry out repairs in some cases.
We appreciate your understanding.
